“Grant Mastin”

**Please join us in welcoming Mr. Grant Mastin** to the Anderson Mountain Realty & Rentals team and family. Grant and his wife, Pam, are both natives of Jonesville, NC located in the northwestern corner of Yadkin County and both have deep roots in the foothills of the Blue Ridge Mountains. Both of them have a deep love of the Blue Ridge Mountains having spent many days in the mountains during their youth and adult years. Grant also spent two years in the early 70's delivering groceries in Wilkes, Alleghany, Ashe, and Watauga counties for a wholesale grocery company out of Elkin, NC and he knows much of the the High Country like the back of his hand.

Since those early days, Grant has obtained an undergraduate and graduate degrees in business and economics from High Point University and spent 25 years working for AMP Incorporated and Tyco Electronics as an engineer and manager. After taking an early retirement in 2001, Grant and Pam relocated from Greensboro, NC to Deep Gap and Powder Horn Mountain, where they currently reside.

Grant managed Powder Horn, one of the High Country's oldest and most well established gated resort and residential communities, from mid-2001 to late 2013, including establishing and operating an in-house real estate sales and rental program. During its 5 year heyday, the in-house program sold over 110 lots and 46 homes in Powder Horn and managed as many as 25 rental properties for their owners. Grant has been an Associate Broker-Realtor® with Parker Mountain Properties, Inc. since late 2013.

Grant and Pam have two grown children, Neil and Amanda, who are both married and live in Raleigh, NC and Bremerton, WA, respectively, with their spouses. They also have two five year-old grandchildren, twins Penelope “Penny” and Isaak, who live in Raleigh and are the joy of their lives. Their love of the High Country and all it has to offer has only grown since relocating to the area and making it their home. Grant is looking forward to his new role with our our team and helping to grow our real estate sales program to compliment our thriving rental program.
